Krista Freitag ("Receiver"), the Court-appointed permanent receiver for Defendants Superior Servicing, LLC, Accredit LLC, Sunrise Solutions USA, LLC, Alumni Advantage, LLC, Student Processing Center Group, LLC, and SPCTWO, LLC, as well as Gold West Financial, LLC, DM Financial, LLC, LJC Music National LLC, South Coast Services, LLC, Business Done Right Inc., ET&C Holdings, LLC, Capital Servicing, LLC, Cornerstone Doc Prep, Inc., Amerifed Doc Prep, LLC, Amerifed Servicing, Inc., Scholastic Solutions LLC, and First Clover Capital, Inc. (collectively the "Receivership Entities" or individually, a "Receivership Entity") hereby submits this Receiver's Sixth Interim Report ("Sixth Interim Report").

I. BACKGROUND

On November 22, 2024, this Court entered the Ex Parte Temporary Restraining Order with Asset Freeze, Appointment of a Temporary Receiver, and Other Equitable Relief, and Order to Show Cause Why Preliminary Injunction Should Not Issue (the "TRO"), appointing Krista Freitag ("Receiver") temporary receiver for Superior Servicing, LLC ("Superior"), its subsidiaries, affiliates, successors and assigns, and any other entity that has conducted any business related to Defendants' student debt relief services. (Dkt. 9). On December 5, 2024, a hearing was held to determine whether the TRO should be made permanent and an Order Granting Preliminary Injunction as to Defendant Superior Servicing LLC was entered on December 6, 2025. (Dkt 30). On December 19, 2024, an additional hearing was held where the Court determined that a preliminary injunction should be entered as to Defendant Merdjanian. (Dkt 42).[1] On September 9, 2025, the

[1] The Preliminary Injunction Order entered on December 19, 2024 also specifically added Accredit, LLC, Sunrise Solutions USA, LLC, Alumni Advantage, LLC, Student Processing Center Group, LLC, SPCTWO, LLC, Gold West Financial, LLC, DM Financial, LLC, LJC Music National LLC, South Coast Services, LLC, Business Done Right Inc., ET&C Holdings, LLC, Capital Servicing, LLC, Cornerstone Doc Prep, Inc., Amerifed Doc Prep, LLC, Amerifed Servicing, Inc., Scholastic Solutions LLC, and First Clover Capital, Inc. as defined Receivership Entities. The Receiver has also determined that Student Processing Center, LLC is a Receivership Entity.

Court entered Stipulated Order[s] for Permanent Injunction, Monetary Judgment, and Other Relief ("Final Order[s]") as to Defendants Eric Caldwell ("Caldwell") and David Hernandez ("Hernandez"). (Dkt 85 & 86). On February 10, 2026, the Court also entered an Order Granting Stipulation for Permanent Injunction, Monetary Judgment and Other Relief ("Merdjanian Final Order") as to Defendant Dennise Merdjanian ("Merdjanian"). (Dkt. No. 108).

II. EXECUTIVE SUMMARY

On November 18, 2024, the Commission filed its Complaint against Superior and Merdjanian. The Complaint alleges that Superior and Merdjanian engaged in alleged unlawful acts and practices as part of a scheme preying on student loan borrowers seeking relief from their loan repayment obligations. The Commission's allegations include, but are not limited to, (a) deceptive marketing, misrepresentation of student loan debt relief program services, (b) inaction with providing the represented student loan debt relief program services to be provided (e.g., they do not enroll consumers in federal debt relief programs, reduce or eliminate their student loan payments or balance, or apply payments to consumers' loans) and (c) in connection with telemarketing of student loan debt relief program services, requests and receipt of payments of a fee or consideration for debt relief services before debt relief was obtained. On March 26, 2025, the Commission filed its First Amended Complaint, adding as Defendants Sunrise Solutions USA LLC, Alumni Advantage LLC, Student Processing Center Group LLC, SPCTWO LLC, Accredit LLC, Caldwell, and Hernandez. On May 29, 2025, the Clerk of Court entered a default against Superior Servicing LLC, Sunrise Solutions USA, LLC, Alumni Advantage LLC, Student Processing Center Group LLC, SPCTWO LLC, and Accredit LLC. (Dkt 70).

Upon entry of the TRO, the Receiver successfully obtained possession of and secured the following physical locations: (1) 500 South Kraemer Blvd., Suite 100b, Brea, CA 92821 (this space had previously been vacated in September/October of

2024); (2) 3020 Saturn Street, Suite 200, Brea, CA 92821; and (3) 3230 E. Imperial Highway, Suite 206, Brea, CA 92821. As operations of the Receivership Entitles have ceased, each premises has been surrendered to the respective landlord. Personal property from each location was removed and relocated to storage.

Based on the investigation of documents and computer records, and actions taken with the information obtained, the Receiver has recovered more than $1.5 million in Receivership Entity funds through March 31, 2026. These recoveries include bank account balances, funds held by payment processors, funds recovered from pre and post receivership legal retainers,[2] Charles Schwab funds (including a tax holdback) included in the Final Order against Hernandez, and the return of a lease deposit. As part of the Final Orders entered against Caldwell, Hernandez and Merdjanian, the Receiver has also taken possession of a luxury boat, an automobile owned by Caldwell and an automobile owned by Merdjanian. Marketing efforts are underway for the boat and autos. A residential real property was returned to Hernandez after it was determined that no material value could be obtained from a sale of the property. An additional real property (vacant, raw land) is discussed in further detail below.

As reported, Superior is one of a series of entities, all set up and operated in very similar fashion, that operated a student loan debt relief enterprise. As noted in the Declaration of Krista Freitag Regarding Preliminary Investigative Findings and Observations filed on December 4, 2024 (Dkt. No. 23), various documentation and bank record observations showed that Defendant Merdjanian, who appeared on paper to be in control of Superior, may have had less control and less ownership in the enterprise than Caldwell and Hernandez. As a result of the Receiver's observations and evidence reported to this Court, the Court entered an expanded

[2] The Receiver also sought and received Court approval of a settlement with Holland & Knight for recovery of $140,000 of post-receivership legal fees; such approval and funds were received in the first quarter of 2026.

Preliminary Injunction that specifically identified the Receivership Entities on December 19, 2024.

This quarterly report covers the Receiver's activities during the first quarter of 2026, including accounting information from inception of the receivership on November 22, 2024 through March 31, 2026.

III. SUMMARY OF RECEIVER'S ACTIVITIES

A. Business Operations

As previously noted, the Receiver assumed control over the leased premises located at 500 South Kraemer Blvd., Suite 100b, Brea, CA 92821 (the "Kraemer Office"), 3020 Saturn Street, Suite 200, Brea, CA 92821 ("Saturn Office") and 3230 E. Imperial Highway, Suite 206, Brea, CA 92821 ("Imperial Office"). As a result of the Receiver's extensive efforts to identify physical locations, numerous former and virtual and/or post office box location addresses were discovered and contacts associated with same were served. All three office locations were secured, and mail was redirected or frozen at the respective virtual and/or post office box locations. Certain members of the entities' staff were interviewed with partial cooperation – some provided information and documentation, while others claimed to have no relevant knowledge.

Consistent with the Court's initial findings and orders, the Receiver suspended business operations of the Receivership Entities. Employees were promptly notified of the change, and a notice was posted on the Receiver's website. The Receiver's staff conferred with the third-party payroll processing company ADP to coordinate processing of 2024 payroll reports, and issuance of W-2's and 1099's. The Receiver served and contacted the Receivership Entities' accounting firm and has coordinated with same to cost-effectively complete the 2024 books and tax returns (as applicable); notably, 2024 tax returns extensions and returns were timely filed and a changeover of registered agent has been completed for the following entities: Accredit, LLC; Business Done Right Inc.; DM Financial, LLC; ET&C

Holdings, LLC; Gold West Financial LLC; SPCTWO, LLC; Student Processing Center LLC; Sunrise Solutions USA LLC; Superior Servicing LLC. The 2025 tax returns are currently underway and were extended.

B. Funds Recovered, Receipts and Disbursements

In addition to the Commission's asset freeze notifications, the Receiver also promptly notified each bank and payment processor identified as having an account associated with the Receivership Entities' enterprise. All funds were transferred into the Receiver's new bank account for the receivership estate, which funds are in an insured cash sweep program, which not only earns interest, but also fully protects the funds in FDIC-insured accounts.

The following reflects the cash activity of the receivership estate for the period from November 22, 2024 through March 31, 2026. A summary of the receipts and disbursements is as follows:

Accredit LLC	$373,070
DM Financial, LLC	$230,056
Sunrise Solutions USA LLC	$28,773
Superior Servicing LLC	$9,373
SPCTWO LLC	$47,111

ET & C Holdings LLC	$935
Business Done Right Inc	$21,738
Gold West Financial LLC	$37,304
SUBTOTAL BANK BALANCES[3]	**$845,732**

[3] Some funds were collected from customers after the TRO and PI Orders due to the timing of entities being added to the receivership estate and funds being recovered. Approximately $2,000 was recovered from funds re-deposited into receivership entities' accounts just before the accounts were finally closed; these funds appear to be unsuccessful electronic customer refund attempts which were initiated pre-receivership.

Credit Card Processing Recovery	$317,690
Legal Retainers Recovery[4]	$258,078
Hernandez Settlement Payment (sent to FTC)[5]	$108,913
Charles Schwab Account Recovery[6]	$205,546
Lease Security Deposit Returned	$1,000
Interest Income	$20,428
SUBTOTAL OTHER RECEIPTS	**$911,655**
TOTAL RECEIPTS	**$1,757,387**
General & Administrative Expenses	($62,629)
Tax-Related Expenses	($69,571)
Asset-Related Expenses	($51,575)
Hernandez Settlement Payment to FTC	($108,913)
Receiver Fees and Expenses	($231,622)
Receivership Legal Fees and Expenses	($109,147)
TOTAL DISBURSEMENTS	**($633,456)**
CASH BOOK BALANCE AT MARCH 31, 2026	**$1,123,930**

Outstanding checks as of March 31, 2026 totaled $210, resulting in a bank balance as of March 31, 2026 of $1,124,140. As previously noted, no more than $83,810 of the cash balance on hand as of March 31, 2026 is to be paid to the taxing authorities on behalf of Defendant Hernandez pursuant to the Court's Final Order as to Hernandez.

---

[4] Reflects the aforementioned Holland & Knight retainer settlement recovery of $140,000.

[5] As previously noted, the Receiver collected a $108,913 payment from Defendant Hernandez pursuant to his settlement with the Commission. Those funds were temporarily held and ultimately forwarded to the Commission pursuant to the Court's order in this quarter ending September 30, 2025.

[6] These funds were recovered in the fourth quarter of 2025 pursuant to the Commission's Final Order as to Hernandez; these funds include an $83,810 income tax holdback which final amount should be determined soon.

C. Affiliated Entities and/or URLs

As noted above, Superior is part of a student loan debt relief enterprise of affiliated entities owned and controlled by Caldwell, Hernandez, and Merdjanian. Through investigation and review of records and the Commission's filings, the Receiver identified the following entities and/or URLs, which appear to be affiliated with Superior, Merdjanian, Caldwell, Hernandez, and the larger enterprise:

Accredit LLC	www.theaccredit.com
Sunrise Solutions USA LLC	www.sunrisesolutionsllc.com

D. Control Over Computer Hardware, Software and Documents

As noted previously, the Receiver took possession of computer equipment located at all three office locations. The Receiver retained the services of HKA

Global, LLC, a forensic computer consultant, to image workstation hard drives located at the Saturn Street and Imperial Offices; various of the IT employee's devices and entity email accounts have also been imaged by HKA. Numerous computers were not set up in workstations; those computers were secured but not imaged.

To varying degrees of success, the Receiver served notice to various vendors of her appointment. All such vendors were demanded to preserve and turn over relevant information to aid the Receiver. Some vendors, such as the CRM provider DebtPayPro/Forth.com and team meeting/communication provider Slack.com provided access to the relevant accounts. Other vendors, including GoDaddy, the domain host and email service reseller were not as cooperative and insisted on a specific Court Order requiring turnover of account access. After various discussions, and confirmation that the accounts were "frozen" (i.e. the accounts could not be transferred, although preservation of data efforts appear limited), the Receiver obtained login credentials from Caldwell and Merdjanian for the following domains: (1) studentprocessingcenter.com; (2) SPCTWO.com; (3) theaccredit.com; (4) superiorservicing.net; and (5) sunrisesolutionsllc.org. Once access was obtained, the Receiver determined that, due to GoDaddy's freeze, she was unable to forward the domains to the Receiver's website to inform customers of the receivership. Instead, the Receiver modified the existing websites to include information about the receivership, along with a link to the receivership website. To date, GoDaddy has declined to grant the Receiver full control of the domains absent the requested Order.

GoDaddy is also the reseller of the Microsoft email accounts used by the enterprise. The Receiver was also able to gain access to some email accounts once given control of the domains by Caldwell and Merdjanian. However, at that time, it was noted that most email accounts for each domain had been deleted. Some email accounts were recovered, but approximately 35 remain unrecovered.

E. Personal Property

As noted previously, the Receiver took possession of various personal property (mostly typical office furniture and fixtures and computer hardware and records) at the three office locations. Due to lack of market interest, the Receiver was unable to monetize the office furniture and fixtures and instead negotiated with the landlords to leave those items at each location. In one instance, the Receiver successfully negotiated the return of a nominal portion of the security deposit from that location. The computer equipment and records were moved into offsite, secure storage and remain there.

As previously discussed, as part of the Final Order, Caldwell turned over a 2017 Chevrolet Corvette z06 ("Corvette") and a 2021 Sea Ray 400 luxury boat ("Sea Ray"). The Corvette is a high-performance sports car. The Sea Ray is a 40 ft luxury boat suitable for entertaining and includes a wet bar, queen bed, bathroom and shower in the berth. Likewise, as part of the Merdjanian Final Order, the Receiver recovered a 2022 Tesla Model Y ("Tesla"). The Tesla is an electric car.

After taking possession, the Corvette and the Tesla were placed in a secured storage location in San Diego, California. The storage location specializes in holding luxury and exotic cars and provides owner assistance to include coordinating maintenance services and keeping the cars on a battery tender to ensure the batteries do not go dead during storage. To improve marketability the Receiver has approved detailing and cleaning for both cars. The Tesla also arrived with a flat tire, and at the recommendation of the storage service, all four tires have been replaced. The cars are listed for sale and undergo periodic review with the listing agents to price the autos appropriately considering the current market conditions.

As previously reported, the Sea Ray was recovered from a privately owned marina in Newport Beach and relocated to a marina in Southern California. To save costs, the Receiver eventually moved the boat into a subleased space. Additionally, the Receiver has undertaken various maintenance and repairs necessary to maintain

the boat in operable condition and preserve its marketability. As noted by service technicians, routine maintenance does not appear to have been performed prior to the Receiver's involvement, and the resulting repairs have been material. The boat also requires ongoing care and maintenance to ensure its marketable condition.

During the current period and considering the impending lease term expiring on the sublease, the Receiver explored relocating the Sea Ray to a lower-cost marina. Two local marinas were contacted, however after engaging with them regarding the nature of the receivership and providing requested documentation, both marinas declined to accept the transfer. Ultimately, the Receiver was able to negotiate a sublease directly with the current marina, allowing the boat to stay in place. The boat was previously listed for sale through a broker; however, after that listing expired after six months without receiving an offer, the Receiver has engaged a new listing agent to continue marketing the boat for sale.

F. <u>Real Property</u>

As part of his Final Order, Hernandez was required to turn over two real properties to the Receiver: (1) 5814 E. Bryce Ave, Orange, California ("Bryce") and (2) 10591 Bent Tree Road, Santa Ana, California ("Bent Tree"). As it relates to the Bryce property, the Receiver was to determine by November 9, 2025 whether to retain and sell the property or return it to the lender. As part of this analysis, the Receiver contacted seven real estate brokers active in the County and obtained broker's opinions of value ("BOV"). The consensus was that the property would likely sell for between $1,750,000 and $1,800,000 with a more likely outcome on the lower end of that range.[7] The Receiver also obtained the mortgage payoff from the secured lender and estimated customary closing costs and commissions based on broker input and experience. Based on this analysis, only a sale near $1,800,000 would result in a net positive recovery, while a sale closer to $1,750,000 would

[7] Hernandez had the property listed for sale for $1,800,000 during the Spring/Summer 2025 but was unable to close a sale.

result in a loss to the estate. Accordingly, the Receiver timely advised Hernandez that she would not take possession of the Bryce property.

The Bent Tree property is owned by the Receivership Entity formerly controlled by Hernandez, Business Done Right, Inc. In 2020, Herandez entered into an agreement to purchase this vacant, raw land located in Santa Ana, California from Parkside Estates Holdings, LLC ("PEH") for $5.1 million, with a seller carry back mortgage in the amount of $3,525,000. Although the purchase agreement was signed in 2020, the closing did not occur until 2024. The Receiver commissioned an appraisal and determined that the value of the property is significantly less than its value at the time the agreement was signed, at closing and currently.

As a result, the Receiver has continued to investigate the facts and circumstances surrounding this transaction and believes the receivership estate has potential fraudulent transfer claims against PEH and its principal, Tom Chou, a friend of Hernandez. It should be noted that the Consumer Financial Protection Bureau previously brought an enforcement action against Chou and others for running a student debt relief scheme that was strikingly similar to the one run by Hernandez and Caldwell, including the use of similarly named entities.

The Receiver, through counsel, has been in communication with Chou, PEH, and their counsel to discuss these claims and a potential settlement. Discussions with Chou and counsel remain ongoing.

G. Insurance

The Receiver noted two business owner's policies covering the leased premises, the personal property and the general liability for Superior Servicing LLC and Accredit LLC. Each policy included employee dishonesty coverage (up to $25,000). The Receiver filed a claim under each policy; however, the carrier denied coverage based on the specific facts of this matter. As the value of the personal property is negligible and there are no longer any leased premises and there are no entity operations, the policies were cancelled.

After taking possession of the Corvette, Tesla and the Sea Ray, the Receiver has bound insurance policies for each vehicle. Those policies will continue in place until the respective vehicles are sold.

H. Pending Litigation

The Receiver is aware that two entities associated with the enterprise, Amerifed Doc Prep and Cornerstone Doc Prep, along with Caldwell, were investigated by state regulatory agencies in Colorado, Minnesota, and California, which reportedly led to them being shut down. Similarly, Superior was investigated by state regulators in Washington after it was shut down in 2024. In addition, in October 2024, the New York Attorney General's office contacted Superior via email about a complaint received from a consumer and asked for a response thereto. The Receiver is not currently aware of any active lawsuits brought by or against Superior or any of its affiliated entities (other than the instant action).

I. Borrower/Client Communications

The Receiver has established a dedicated web page on the Receiver's website which is used to provide case information, regular updates, and answers to frequently asked questions to employees and customers. The Internet address for the webpage is: http://www.superiorservicingreceivership.com. In addition, the Receiver is maintaining a dedicated e-mail address and telephone line for all inquiries, details for which are provided on the aforementioned website.

As previously mentioned, the Receiver was unable to forward the companies' domains to the receivership website. However, the Receiver updated the respective websites to remove all content other than basic information on the receivership case and directing visitors to the receivership website. Additionally, as the Receiver gained access to various email accounts, the Receiver forwarded all incoming email to those accounts to a Receiver controlled email account. All incoming email to those accounts auto-responds advising about the receivership.

IV. RECOMMENDATIONS

The Receiver's efforts to marshal and recover assets and relevant Receivership Entity documents and records are ongoing in an efficient manner. For the near term, the Receiver and her professionals hereby make the following recommendations.

A. Document Recovery Efforts

The Receiver has obtained records from all known financial institutions where the Receivership Entities maintained accounts as well as from attorneys and accountants engaged by the Receivership Entities. The Receiver has served subpoenas on certain institutions, individuals, and entities.

B. Receivership Asset Recovery Efforts and Investigation

As/if appropriate, the Receiver will seek to locate, secure, and facilitate turnover, of any unaccounted-for receivership assets that may exist. As a result of her accounting (further discussed below) and analysis of other documentation, the Receiver has identified and become aware of prospective assets either owned by Receivership Entities or purchased with Receivership Entity funds. The Receiver has interviewed and/or has requested numerous documents from the defendants and third parties (who, at least in some instances, are friends or family members of the defendants) regarding these potential investments, purchases, loans and other transfers to third parties. Certain documents have been received, and dozens of subpoenas have been issued; notably many of the subpoenaed individuals who received material amounts of money appear to be evading service. With respect to the various purported investments, purchases, loans and other transfers from the Receivership Entities, the defendants and other persons interviewed have stories which consistently conclude with the complete dissipation of large sums of money with no assets of value acquired or prospect of a recovery. The Receiver's work to investigate these transfers and potential recovery claims is ongoing. She will seek Court approval before pursuing any such claims through litigation.

C. Accounting

Despite demands/requests therefor, with incomplete financial records available or turned over to the Receiver for many of the Receivership Entities' activities, in the interest of time and cost-efficiency, but in order to identify the majority of the Receivership Entities' sources (including customer deposits into the enterprise) and uses of funds (where the funds went, including potential asset identification), the Receiver performed a high-level preliminary accounting of the bank record data received to date in accordance with the Court's orders. The Receiver filed her report reflecting the results of this high-level preliminary accounting on December 4, 2025 (Dkt No. 98); her findings from this analysis resulted in identification of millions of dollars of transfers to third parties (including friends and family members of the defendants).

The preliminary accounting, which is subject to being revised if deemed necessary, has been used to identify an initial net harm amount to customers of the enterprise, as well as to help identify where the funds received from customers went and to help identify prospective assets for recovery (as noted above).

V. CONCLUSION

Based upon the Receiver's preliminary investigation and findings, the Receiver recommends and requests that the Court order the Receiver to continue her duties pursuant to the TRO and supplemental PI orders issued by the Court. The Receiver also requests the Court authorize her continuing investigation and approve this sixth report and recommendations.
